Huckleberry's Expert's Corner

Carla Ford
Service Produce

In the Service Produce department, Carla takes fruits & vegetables and turns them in to something fabulous! If there is a bounty of apples, Carla makes ginger applesauce. Too many avocados? She'll create a recipe, such as her "Avocado Smack Down" dip. Extra basil? Time for a delicious pesto. Juice, dips, salads, spreads, dressings - whatever produce is in abundance, Carla can make it into a delicious, scratch-made recipe.
