New Mexican Back Ribs

Serves 4

- 3-4 pounds back ribs
- 1/4 cup chili powder
- 1 tablespoon onion powder
- 1 tablespoon ground cumin
- 2 teaspoons salt
- 1-1/2 teaspoons oregano
- 1 teaspoon garlic powder
- 1 teaspoon cayenne (ground red pepper)

In small bowl, stir together all seasoning ingredients. Rub ribs on all surfaces with seasoning rub.

Place ribs on a medium-hot grill over indirect heat; close grill hood and grill until ribs are tender, about 1-1/2 hours. (Add more charcoal briquettes to fire, if necessary, to maintain grill temperature of about 325-350° F.)
